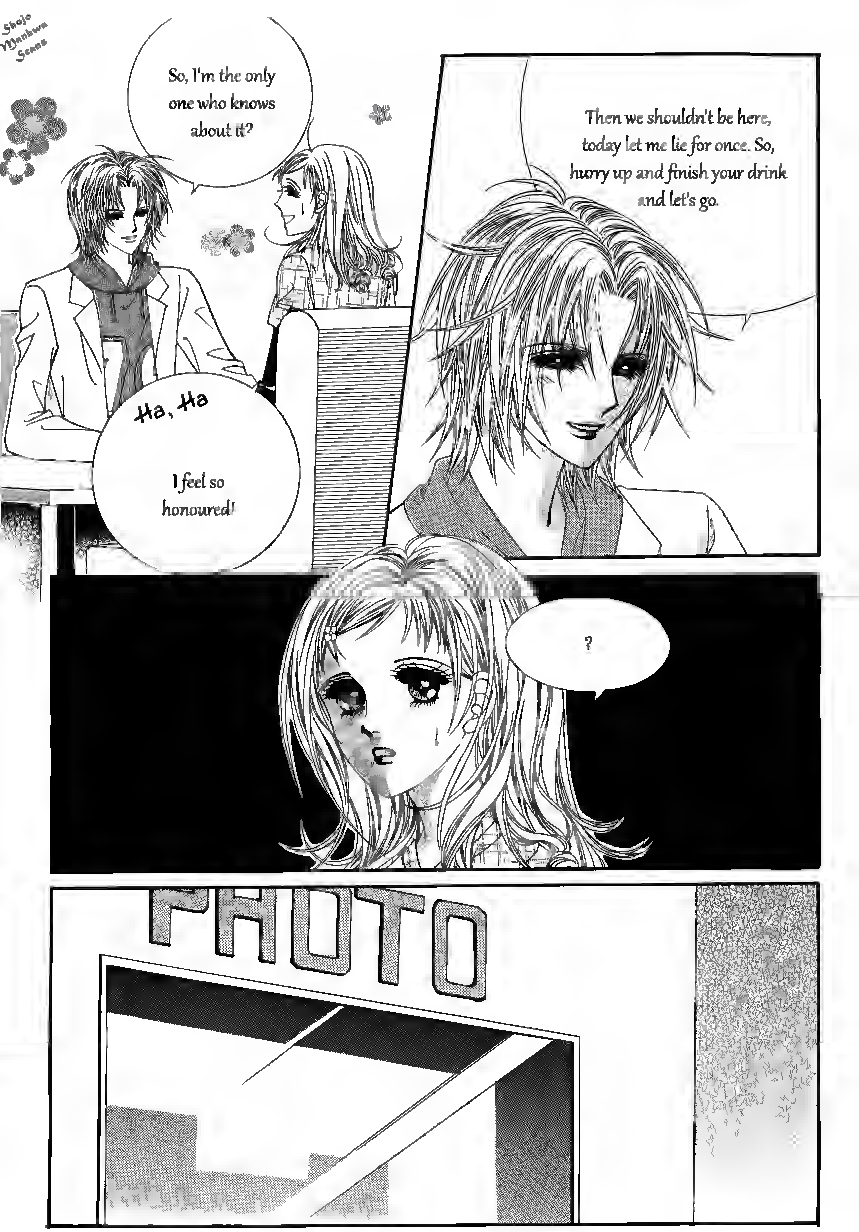
I'm kind of shocked now. I didn't think you'll also take Keum-DOng out here too.
When you called we were already here
I heard today is Shin-Hye birthday So, why are you not at home celebrating it?
I don't belong there.
To tell the truth, today is, Keum-Dong 100 days
Really?
But no ones remembers it, and no one is willing to hear it either



So, I'm the only one who knows about it?
Then we shouldn't be here, today let me lie for once. So, hurry up and finish your drink and let's go.
Ha, Ha
I feel so honoured!

I envy Cheon-Dong
Why is it?
He has such cute little son.
And he also has you.
Then he's an idiot to think like that.
There's nothing to be envious about, Ma Cheon Dong thinks we're a bother that needs to be gotten rid of

Shojo Manhwa Series
If you and Keum-Dong leave that house, what do you think about the 3 of us living together?
What ..? Why are you asking this out of the blue?
Just go ahead and answer.
Is it ok?
Yes? Are you serious?
Ok, let's agree on it.
That would be great.
Leave that house and come live with Oppa.

Oppa is playing with me right?
But we're still students
Age doesn't matter. You already have kid, you should have the right to live independently.
I really don't get you. I thought Oppa already have Su-In Unnie.
Su-In...
You're really dense. You still don't get it?

Shojo Manhwa Scene
The girl that this Lee Jun loves is not Jeong Su-In but Bae Seon-Nam.

I can't believe that Jun Oppa actually likes me.
Huh. un-locked?

Shojo Manhwa Scans
Hey,
Why did you take the baby outside when it's freezing?
What are you doing here? Don't tell me that you were waiting for us to come home.
Watch out for the kid, he can get sick! What kind of mother are you?

What's with that expression? Do you really think that I would worry about him? If you're living off from someone then you should learn how to come home on time

쿵

WHY DO I HAVE TO BE OUT? DO YOU REALLY BELIEVE THAT I LIKE BEING OUT HERE?
I ALSO WANT KEUM-DONG TO STAY IN HOUSE TO KEEP HIM WARM!

Shojo Manhwa Scans
